Parents Feedback

Parents have an important role in the development of any college. The feedback given by them plays an important role in the development of the academic quality of the college. The responses of the parents of the girl students studying in the college were measured by 11 statements in the test. This test is two points scale.

Against each statement an option is given to agree and disagree. Parents have to put a right mark on any one of these two options. For scoring the result of the scale, 2 point have been given for agree and one point for disagree sampling size is 16. The responses of the parents were tabulated and analyzed the results.

On analysis of the table it is related that all the parents have agreed to the college in all of the aspects. Two parents gave suggestion for development considering the resources of the books and labs as not sufficient.

Alumni Feedback

Our alumni play an important role in the academic development of the college. They guide the students of the college time to time. Alumni Feedback form is created by IQAC. There are 14 statements in this test, a yes and no options is given against each statement and are scored 1 mark for yes response and zero mark for no response. Sample size is 10. Alumni girl students are proud to be associated with the college, satisfied with course curriculum teaching strategy, co-curricular activities, N.S.S. and Red Cross. Career counseling grievances are properly redressed. They also recommend this college to their friends and associates.
