Feedback Regarding Institutional development Plan (2022-23 to 2027-28)

Department name Psychology

A. Pedagogical Excellence

Particulars	Response	Need
1. What are the teaching-learning systems currently followed in the department (for example, traditional method, IT enabled learning, Experiential method)	Traditional method + Experiential method. Laptop are used. Guest lectures organized.	More testpaper and instrument. ⊖ more efficient internet.
2. What are the innovative teaching practices (like smart classroom, conferencing, etc) are adopted in the department	Paricharcha organized in department.	Smart classroom
3. What are the pedagogical tools) used for teaching students	Blackboard-chalk, Test paper, PPT Instrument charts, zepfren ee boards.	Computer with spss projector

B. Infrastructural Development & Maintenance

Particulars	Response	Need
What type of expansion work is required for existing infrastructure like class rooms, departmental room, staff rooms, sports room and canteen	classrooms, departmental room.	More class room, Sports room and canteen
What type of modernisation/renovation works are needed for existing infrastructure? (viz. Laboratories, Library, Networking, Smart classrooms) High Speed Networking and E-library. Language Lab etc.	Laboratories	Networking, Smart classrooms, high speed networking, E-library.

Particulars	Response	Need
Whether creation of a laboratory / centralized computing / instrumentation facility is required	laboratory, instrumental facility is very poor	More laboratory, centralized computing, instrumentation is required.
What type of sophisticated equipment's relevant to growth of different specializations are required like Printers, Computers, photo copy machine refrigerators, invertors, speakers, scanners, collar mikes & Cameras		More computers, photo copy machine, invertors scanners, collar mikes are required
What type of infrastructural development work required for non-academic area for the institution (parks, sports complex, gym, Guard room dispensaries, toilets, cycle stand, girls' common room, etc.),	sports complex Guard room dispensaries are not available.	sports officier, sports complex, Guard room dispensaries, girls common room are required.
What type of infrastructural development work is needed for making them accessible for differently-abled students?	Ramp is available -	
Whether required for renovate the auditorium	-	Furniture and Eco sound system are required.

C. Research & Development

Particulars	Response	Need
What are the research initiatives taken by the department	-	-
Has the Department measured the growth in research and development through participation and contributions in International/ National Conferences, Seminars, Symposiums, Workshops, and initiation of academic exchange programs? If yes, give details	participation in conferences seminars, workshops.	more reference books are required.

D. Employment

Particulars	Response	Need
1. What are the most important industries in the geographical		

area of our college 2. What are the skill development program organised by the Department.	-	-
Please give similar details with respect to self employment (agriculture/manufacturing/services sectors) a. Currently, what jobs are most available in the area? b. What skills do these jobs require?	Counselor	Vocational course in college. Counselling skills.

E. Library

Particulars	Response	Need
Text book reference book ICT/INFLIBNET other facilities, Reading Room attached with library	Not sufficient	more books, Journals are required.

Give your valuable suggestion on:-

Effective institutional governance----- More faculty, e resource
are required.

Creating Institutional Brand Image----- personality development,
career counselling programs and
counselling training programs for students

Effective institutional governance-----

Examination Reforms-----

Academic Administration----- more faculty required in
college
