

Students Feedback

Session-2023-24

Rating Scale was used to gather feedback from girls students. Feedback is produced by IQAC. It is a Rating scale which has 5 Point like that very good, good, satisfactory and less satisfactory. 145 students were selected through incidental sampling method. Students were instructed that you are presented with some multiple choice statements. Please tick the appropriate option according to you. Scoring and tabulation was done after getting the feedback forms filled by the students.

The following points indicate the results of the feedback-

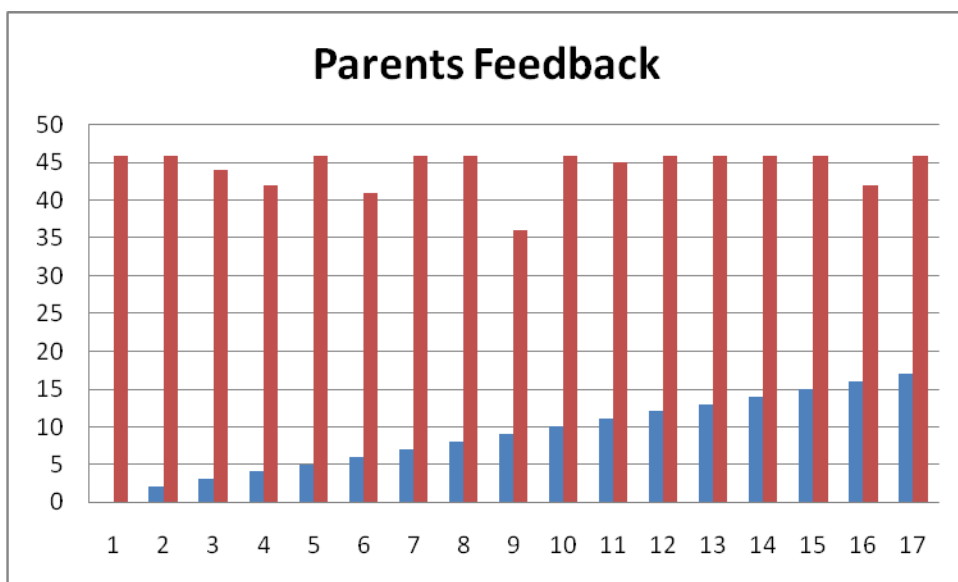

- On the average 66.21% students have responded very good on course evaluation for all parameters.
- It is found that on mean 77.24% students ask that the teacher performance is very good for all parameters.
- 33.79% of the girls students considered the course syllabus to be more than adequate, 64.14% adequate and 2.07% students considered the syllabus to be cannot say.
- 93% of the students have admitted that the teachers come to the class thoroughly prepared.
- 96% of the students are of the opinion that the introductory lecture has been given in the beginning of the course.
- 90% of the students stated that internal assessment was always fair.

- 80% of the students are of the opinion that the teacher discussed the assignment with them.

Parents Feedback

Parents have an important role in the development of any college. The feedback given by them plays an important role in the development of the academic quality of the college. The responses of the parents of the girl students studying in the college were measured by 17 statements in the test. This test is two points scale.

Against each statement an option is given to agree and disagree. Parents have to put a right mark on any one of these two options. For scoring the result of the scale, 2 point have been given for agree and one point for disagree sampling size is 23. The responses of the parents were tabulated and analyzed the results.

On analysis of the table it is related that all the parents are satisfied with the college in all of the aspects. One parent gave suggestion that the library needed more books. Suggestion were given preparation for competitive examinations should also be done in the college.

Alumni Feedback

Our alumni play an important role in the academic development of the college. They guide the students of the college time to time. Alumni Feedback form is created by IQAC. There are 14 statements in this test, a yes and no options is given against each statement and are scored 1 mark for yes response and zero mark for no response. Sample size is 10. Alumni girl students are proud to be associated with the college, satisfied with course curriculum teaching strategy, co-curricular activities, Red Cross, N.S.S. and Career counseling activities. This is proper procedure for redressal of grievances. They also recommend this college to their friends and associates.
